PRESIDENT'S LETTER | Greg Morikone

Dear 3ABN Family,

Thanks to you and the Lord, we pressed forward into new areas of outreach last year, in spite of the coronavirus! The pandemic brought a significant surge of brand-new viewers and listeners who were looking for answers and hope, as they wondered what would happen to the world. Many have told us they're excited about the Bible answers they've found on 3ABN.

We sent over 6 million pieces of literature and thousands of Bibles to truth-seeking souls last year, and our Pastoral Department prayed with thousands more who were looking for comfort from the Word of God.

The Lord opened the door for 3ABN Latino to enter Cuba with the first religious programming to be allowed on *El Paquete* ("The Package"), and now over 11 million viewers can receive the gospel in that country!

3ABN signed contracts with media companies adding well over 86 million potential viewers in 2020. And last August, we also signed with a company that will take 3ABN to smart TVs and other popular Internet devices.

Yes, 2020 brought its share of challenges, but God came through each time, praise His name! When we needed funds, He provided them through you. When we needed an answer, He gave us direction. When we stepped out in faith, we believed He would guide us—and He did!

We are here to spread the undiluted three angels' messages of Revelation 14 to the world, and without a doubt, we are living in the closing moments of our world's history. 3ABN is here for "such a time as this."

We don't know what 2021 will bring, but we know Who holds the future—our Lord, Jesus Christ, the Author and Finisher of our faith, the Alpha and Omega, the Beginning and the End!

Thank you for being our family and for standing with 3ABN!

Greg Morikone
3ABN President

Greg & Jill Morikone 3ABN President and Vice President/COO, are very thankful for your support.

BRINGING THE EVERLASTING GOSPEL

by Bobby Davis

After suffering through a year of a pandemic, we're all eager for some good news—and that's what we got when we spoke with 3ABN's Dare to Dream Network general manager, Jason Bradley. The following are some highlights from this vibrant network that is reaching millions of viewers in the world's biggest cities.

Jason began with a realistic look at the challenges the network faces in reaching viewers as Jesus did, with practical and spiritual help. "As I take a look around, I see a world that's guided more by feelings than by principles," he says. "So we want to focus our viewers on the principles given us by Jesus Christ, bringing the everlasting gospel and practical tools for living to those in the urban centers of this world."

ADAPTABILITY AND ACCESSIBILITY

"Our constantly changing world brings new problems every day," Jason continues, "but the solution is constant, as well—Jesus Christ. There's a serious lack of value placed on people's lives and the family unit these days, so we adapt to those changes and bring them biblically inspired tools for strengthening their relationship with Jesus—who gives us value in the first place.

"We address these issues with programs like, *A Father's Heart*, featuring men who are open and transparent about their

childhood and who share their journey as fathers, along with stories and tips on successful parenting. *Dollars and Sen\$e* presents biblical principles of money management, budgeting, and how to avoid financial predators and improve your credit, while *Creative Cooking* brings health information as well as recipes to help viewers change to a healthful diet and still enjoy delicious food.

"Another area we're focusing on is accessibility. We have a burden to get the gospel behind the walls of our country's prisons, for example, and COVID-19 definitely has created new challenges. But we choose to look at these challenges as opportunities, because even though we can't physically go into the prisons as volunteers, we can bring Dare to Dream and some of our other 3ABN networks to them through hard drives (read about the details on page 13).

"We must do everything humanly possible to spread the gospel, because people die every day, and probation is closed for them! Christ's character is often misrepresented, and we want to vindicate Him by showing people how loving He truly is. We want our viewers to know that they can accomplish great things through Christ, who strengthens us—and there's no greater feeling than walking in the purpose and calling God places on our life."

BUILDING ON SUCCESS

Jason says Dare to Dream is building on a successful platform of programs and constantly working on new ones.

"*Salvation in Symbols & Signs* has been our most powerful program so far, because people are studying the Word of God. So many of our viewers write us to say they're studying the books of Daniel and Revelation verse by verse, and that their relationship with Christ has been strengthened. They see these books as a love story now, instead of terrifying mysteries!

"We see a lot of kids growing up without basic life skills, and a lot of young mothers struggling, without knowing how to prepare a bottle, change a diaper, or raise their child. So we're developing a program that gives them practical parenting skills, as well as character development tools.

"Another new program we're developing sheds light on what has been hidden in plain sight—how the entertainment industry is intertwined with the occult. Another

series will help those who struggle with strongholds, like sexual addictions and substance abuse. Still another will show how yoga is rooted in Hinduism, giving Bible-based information so viewers can make informed decisions.

"And finally, I'm excited about a new lifestyle panel that will feature nurse practitioners, herbalists, mental health experts, nutritionists, senior lifestyle coaches, and naturopathic and medical doctors tackling lifestyle issues. They'll deal with topics like hypertension, heart disease, diabetes, cancer, stress, abuse, fear, grief, depression, anxiety, pain, and many other problems.

"These are just some of the programs we're focused on, and we will infuse every one of them with the gospel!"

GOD IS FAITHFUL

Jason says that during the past year, Dare to Dream has adapted to COVID-19 by conducting many Skype interviews. "But God is faithful, and we never had to shut down production because of the coronavirus! Instead, we produced valuable health content, shared powerful testimonies, and talked to other ministries serving their communities during this difficult time.

"We couldn't have done this without the faithful help of our wonderful viewers who continue to bless us with their prayers and financial support," he adds. "We hope to inspire you to get involved in spreading the gospel. It is truly an honor to help share such a beautiful message!"

(L to R): Guests discuss important aspects of being a good father on *A Father's Heart*. The Holmes Sisters prepare a special drink on *Creative Cooking*.

REACHING OUT IN NEW WAYS

Broadcasting around the clock, each 3ABN network requires 168 hours of programming each week, so we work very hard to provide fresh programming to our viewers and listeners. To this goal, we are always looking for new ways to minister to the mind, body, and soul, and that keeps our Program Development team very busy! When we caught up with 3ABN's Program Development Manager, Shelley Quinn, we asked her what types of programs are in development, and here's what she had to say.

CURRENT ISSUES

"First of all, we're excited about a new series called, *Digital Disconnect*, with Scott Ritsema of Belt of Truth Ministries," she began. "His series will expose how the media is competing for the hearts and minds of our youth. So far, the media has been winning, but we want to bring them back by informing both parents and kids of their agenda.

"The program will show that although media is a valuable tool, it can become a problem when used excessively, or by using the wrong type at the wrong age. We'll look at its effects on families, how it can affect child development, and how social media can seriously disrupt relationships," she explained. "We'll also look for solutions, and how to use media as a tool for good.

YOUNGER AUDIENCES

As we spoke, Shelley talked about several new programs that will be aimed toward younger audiences. "We're doing a teen series with Christian Martin, who hosted one of our Kids Camp series called, *Bible Buzz*. He will tackle difficulties teens face, like anxiety and depression, suicide, bullying, cyber addiction, gossip, and even death. He will also bring solutions to light with programs on discovering your identity in Christ, self-worth, decision making, true worship, and having a relationship with Jesus Christ. It will be highly interactive, and a very important addition to our lineup.

"We'll also be recording a second season of *Raw Questions, Relevant Answers* with rotating hosts addressing important questions that are difficult, but need to be discussed."

PARABLES AND BIBLE STUDY

Shelley says she's excited about a new program with Lemuel Vega, who is well-known to our 3ABN audience for his prison ministry, *Christmas Behind Bars*. "Lemuel is so good at using object lessons and modern-day parables to make his point," she said, "so we've asked him to do a series that takes common objects and draws spiritual lessons from them, just as Jesus did."

Another new series will be hosted by Shelley Quinn, herself. "It will be a series on the everlasting covenant and righteousness by faith," she explained. "This is an important topic that is misunderstood both inside and outside of our Church, and I'm eager to share how the everlasting covenant of God has been with us throughout Scripture.

"We're also very privileged to be working with international evangelist, Pastor Mark Finley, on a new 26-part series," she continued. "The series will be about growing in Jesus, and how this applies to each of us as we live through end-time events."

In addition, Shelley's team is working on a new Bible study program hosted by Danny and Yvonne Shelton focusing on topics that are often misunderstood in the Christian world, like the Sabbath, and what the Bible teaches about death, Heaven, and hell.

LIVE PROGRAMS

Several of 3ABN's new programs will be live broadcasts. "We're putting together a live, interactive program on prayer and praise with Greg and Jill Morikone," she explains. "They will focus on a theme each time, and show how we can claim God's promises as we pray. Our viewers will be able to instantly text us their prayer requests and praise reports, allowing us to be connected as never before. We are a family, and we want to raise up all our prayers and praises, together.

"On another live program, we will take Bible questions by text from our viewers and listeners, then answer as many as we can in a fast-paced, live program," she continues. "And oh, we're planning a new cooking program with Cinda Sanner, too!"

Shelley sees a bright side to the COVID-19 pandemic. "Although it created many challenges for our Program Development planning, by God's grace, it gave us even more resolve to push forward in producing Christ-centered programs that provide practical applications and lift Jesus higher so He can draw all mankind to Himself."

Please pray for each precious soul who tunes in, for we know that God's will is for none to be lost! ☺

Greg and Jill Morikone will host a prayer and praise program where viewers can instantly send requests by text.

Jesus said, “There is joy in the presence of the angels of God over one sinner who repents” (Luke 15:10), and we can think of nothing that brings us more joy than to do all we can to add to that number!

Here are a few of the letters we’ve received recently from prisoners whose lives have been transformed by the Study Bibles, books, and study guides our 3ABN Pastoral Department has been able to send them—thanks to your generous support.

Sean writes, “I am currently incarcerated in a small county jail whose library is limited; and due to the pandemic, they have suspended all chapel services. I am in need of a Bible to strengthen my relationship with Christ. I have been getting by on *Real Peace, Real Answers* [Steps to Christ] by Ellen White, which has been a real blessing to me. I have been handwriting chapters to send home in the mail to share them with my family.... In the last month, I have watched God transform my life.... I am happier and more at peace than I was when I was not incarcerated. I am clean and drug-free, glory be to God! He has truly blessed me.”

Jaovanni from Texas wrote, “I want to thank y’all for the books you sent me, especially the Bible, and the *Prophets and Kings* book. Y’all are doing an amazing job. Y’all have the ultimate Study Bible, and I love it. I have never had a Bible that is so helpful.... I have learned more from these books in a couple of months than I have in a long time.”

Rebecca expressed her gratitude for the books she received after being transferred to another facility and thinking she’d never get them. “I can’t tell you what great timing it was when I received that package! I wrote y’all when I was in county, and ‘pulled chain’ shortly after. I was very upset I couldn’t take my favorite book, (*Desire of Ages*) with me! Plus, I didn’t know y’all’s full address to request it again. But as blessings would have it, y’all found me! I think you are really Heaven’s messengers! ... Ellen White is now my new favorite author, hands down. I just can’t get enough of the information my spirit receives from y’all’s books. I am so glad to have 3ABN in my life.”

I am so glad
to have you in my life!
3ABN

Nicholas, in Indiana, wrote, “I would like to thank you for the books again. I enjoy any and everything that helps me grow and learn—all the literature that leads me to the truth. I also want to thank you all for the messages you share on your radio station. I enjoy them, and am glad I have a chance to listen to it daily. It helps me get through the day. The messages always hit my heart and stay with me.”

Anthony also listens to 3ABN Radio, and wrote to tell us how much he appreciates that ministry—and the books we’ve sent him. “I had lost my earphones for my radio when I turned in my bedsheets to laundry last week,” he begins. “But today a friend just offered his earphones to me without my asking—and I was so happy! I turned on 3ABN Radio and heard something I have been thinking about—that in John 3:16, God doesn’t call the righteous, but the sinners. I think God loves everyone! Even me. Even ‘gangers.’ It made me cry.... For the first time I can feel God’s love for me and for others. He has taken all that hate and vindictiveness, that retaliatory behavior away. I only wish I knew God’s love before... I don’t have the words to share with others about the way I feel. It’s... beautiful. *I’m in prison—and I’m happy!* I wanted to know that just one person loves me, and now I know that God does, and that satisfies me! He is my Father, and my Friend. Whatever I need, there it is.... I appreciate all the books you’ve sent me. Thank you, and God, for loving me and sharing the length, depth, and breadth of your love.”

We are so grateful for your support that makes this prison ministry possible. Our Pastoral team, Dare to Dream Network, and Marketing Department are working very hard to bring 3ABN programming to prisoners. So rejoice with us—and the angels in Heaven—as we see the Holy Spirit changing lives behind bars! ☺

DARE TO DREAM'S HARD DRIVE FOR PRISONS INITIATIVE

Although volunteers can no longer enter prisons because of the pandemic, we can still take the gospel to those who are incarcerated. With your help, we can provide two years of programming on special hard drives that can be played on a prison’s closed-circuit TV channel. For roughly \$25,000, we can reach close to 100 correctional facilities! Please help us point them to Jesus—the only One who can change their lives for eternity!

Pastor Mark Finley was the first to use our LED wall in Studio D on his *Three Cosmic Messages* series. This technology has proved invaluable.

A WALL OF Blessings

Only God can bring something good out of bad situations, and nowhere is this more evident than at 3ABN, where the COVID-19 pandemic dramatically changed how we produce television programs. “As we look back, what happened during this pandemic in our only studio equipped with an LED wall is nothing short of phenomenal,” says 3ABN President, Greg Morikone.

“We had just completed the *Three Cosmic Messages* series with Pastor Mark Finley as the pandemic was taking hold,” he explains. “Then, faced with having to produce programs quickly, Studio D’s LED wall allowed us to build sets and air both the ASI Virtual Chapter Conference and the ASI International Convention. Right after that, we were able to change the set over to our 3ABN Homecoming Camp Meeting, followed by the AMEN Medical Evangelism Convention. In addition to all those events, that same wall transformed our studio into sets for the *3ABN Sabbath School Panel*, *3ABN Worship Hour*, *Your Favorites By Request*, holiday specials, and even a children’s Bible story program!

“We no longer need to build and paint wooden walls, and we don’t have to tear down and store those sets, either. LED backgrounds are bright and realistic, and can be changed out with a single computer keystroke. This saves a tremendous amount of time and effort, because what used to take three or four days can now be put together in half a day, or less.

“Of course, there’s a lot of work that goes into building the set graphics, but once they’re done, they can be called up quickly in the future, and the only effort required is to place the furniture and adjust the lighting for each program. We’ve seen a tremendous jump in productivity.

“We want to be good stewards of the money God provides through our faithful supporters, so we plan to move ahead in faith and equip our other studios with LED walls, as well. Thank you for standing with us as we find new ways to produce more programs for the glory of God!”

#114 - STUDIO REMODELING

CARIBBEAN CURRIED TOFU

by Dona Cooper-Dockery

INGREDIENTS

- 1 Tbsp vegetable oil
- 1 (12-ounce) package extra-firm tofu, drained and cubed
- 1 medium onion, chopped
- 4 cloves garlic, minced
- 2 tsp curry powder
- 1 tsp turmeric powder
- 1 Tbsp savory seasoning
- ½ cup carrots, sliced
- ½ cup potato, cubed
- 4 sprigs fresh thyme
- ¼ cup green onion, chopped
- 1 (14-ounce can) coconut milk
- 1 tsp Mrs. Dash
- ½ tsp salt or to taste

DIRECTIONS

1. Heat oil in large skillet or wok over medium-high heat.
2. Add tofu and braise until golden brown on all sides, stirring intermittently for about 10 to 15 minutes. Remove and set aside.
3. Lower heat to low-medium, then add garlic and onion and sauté for 2 minutes.
5. Add all other ingredients and return tofu to the skillet or wok.
6. Allow mixture to cook for 15 to 20 minutes, or until carrots are tender. Taste and add extra spice if needed.

Adding scotch bonnet pepper to this dish will give it the authentic Jamaican taste!
