## PRESIDENT'S LETTER | Greg Morikone

Dear 3ABN Family,

This is a special edition of our monthly 3ABN World magazine—a Year in Review. Looking back over 2023, we see what the Lord has done through you, our faithful 3ABN family of supporters.

Looking back is good; but if it is the *only* way we look, we are destined for trouble! As a teenager, I was riding in a car with some friends, and as we merged onto a highway, the driver suddenly turned his head around and foolishly stated, “Look! I can drive while looking backwards!”

Let me assure you, *he could not!* We immediately started veering off course, and our shouts of alarm got him to turn around and look straight ahead, getting us back in our lane.

So while looking back at what the Lord has done in our lives gives us encouragement, we can't just stare backwards. If we do, we won't move forward in a good direction. In fact, it could stop us from moving at all!

This magazine is a report of what the Lord has done, but it's also a prayer of faith as we look ahead to next year. Being a part of this ministry has grown my faith in God. You see, when 3ABN goes forward with a project, many times there's no money set aside for it. But we know that God will supply our needs as they arise, even though sometimes He provides in just the nick of time!

As you read about the exciting doors of opportunity the Lord has opened, please know that you've had an important part in helping us move forward. Thank you for standing with us. We couldn't do it without you and the Lord!

Greg Morikone  
3ABN President

This has been a year overflowing with blessings—and a year of firsts, with new programs, new translations, new stations, and much more! But the biggest blessings have been the countless souls who have been added to God’s Kingdom through your partnership and support of this ministry!

# Blessed Beyond Measure

by Bobby Davis

**B**lessings—and more blessings! Just look at the many ways God has blessed Three Angels Broadcasting Network this year!

**3ABN Bible Study Guides** – With God’s help, we designed a brand-new set of Bible Study Guides to draw attention to our Creator God and the three angels’ messages of Revelation 14. These attractive and easy-to-follow guides are perfect for group discussions, studies with new believers, or anyone who wants to learn more about the Bible. Each lesson comes with QR code links to videos, free offers, and much more!

**New Translations** – We are excited about reaching over *2 billion more souls* who speak Chinese, Arabic, and Hindi by partnering with a Christian ministry that translates, voices, and adds subtitles in those languages. The 3ABN programs we are translating address key topics linked to salvation, and are now available on our 3ABN+ app and website, as well as on our 3ABN YouTube channel.

**New TV Series** – We were blessed to produce a new series with Shelley Quinn called *Spotless: The Everlasting Covenant*, along with a companion book of the same name. It provides a panoramic view of redemption’s story, fresh insights into God’s grace, and an intimate picture of Christ’s identity. A new series by Risë Rafferty called *Made for Health* features interviews with health professionals on the underlying conditions of illnesses

and focuses on the unhealthy conditions we can change. Another new series called *When We Talk* features Steve and Tammy Conway candidly addressing relationship issues, and focusing on what can be done to restore God’s purpose for our communities, relationships, marriages, and families. International evangelist, Pastor Mark Finley, recorded a new series with us called *Eternal Truths Matter*, showing how the ancient words of Scripture speak powerfully to our generation. Pastor Finley’s wife Teenie, who is well-known for her evangelism training seminars and cooking classes, also recorded a new series called *Enjoy Healthy Eating*, sharing biblical advice for a long and healthy life. And finally, we launched a brand-new flagship program on our Praise Him Music Network called *Praise Him Now*. It features musical artists sharing stories from their ministries, some impromptu music lessons, and of course, a beautiful sacred song.

We have recorded new episodes for many of our ongoing series, including *Unshackled Purpose*, which is shot on location in correctional facilities, and *3ABN Sabbath School Panel*, a lively, honest, and insightful discussion of the weekly lesson from the Adult Sabbath School Bible Study Guide.

**Social Media** – As television audiences continue to shift more into online viewing, 3ABN continues to expand on YouTube and social media. In fact, our YouTube Channel is on track to receive over 14 million views this year!

**Live Events** – The Lord continues to provide us with encouragement—especially when we get to meet our 3ABN Family members in person during our **3ABN Camp Meetings!** This summer, our theme was “Majoring in the Minors,” focusing on the Minor Prophets. Then, in the fall, our Homecoming theme was “You Shall Receive Power,” focusing on the power of the Holy Spirit. This year, we also held **3ABN Rallies** in multiple cities across the country, giving us the chance to share what God is doing here at 3ABN and to hear how He’s blessed and changed *your* lives, too. This summer, we were privileged to broadcast the **Adventist-laymen’s Services and Industries (ASI) Convention** held in Kansas City, Missouri. The beautiful reports from laypeople sharing their love for Christ and

the young people committing themselves to a life of service truly warmed our hearts. Our **3ABN Kids Camp** brought children from all over the country to our campus to take part in a wide variety of fun television programs designed just for them! We were also blessed to participate in an **Educators' Convention** in Phoenix, Arizona, where we shared our 3ABN Kids Network resources and made contacts with teachers who have musically talented students. And finally, we look forward to closing out this year with an enthusiastic group of young people at the **GYC Conference** in Portland, Oregon. The powerful messages we'll hear, and the young people so dedicated to spreading the gospel are very good reasons to watch, so don't miss it!

**3ABN School of Discipleship** – This year marked the beginning of our School of Discipleship, which trains men and women in personal, public, and digital evangelism, helping them to grow into confident, well-grounded disciples for Christ. Our Intensives provide the highest quality instruction, as well as extra small-group and individual discipleship sessions with our instructors outside of class hours.

**New Way to View 3ABN in the UK** – Viewers can now watch us throughout the United Kingdom on **Freeview**, a TV platform offering free access to all the local broadcast TV channels, along with many live stream channels. We praise the Lord that 48 million people in England, Wales, Scotland, and Northern Ireland can now watch eight of 3ABN's networks on **channel 283!**

**Focus on Truth** – A new booklet by Danny Shelton was published this year, and it brought a tremendous response from viewers and listeners who were eager to share *The Truth About the Lord's Day*

with others. What a beautiful evangelistic tool this is, and hundreds of thousands of copies are being passed out.

**Prison Ministry** – Our 3ABN Prison Ministry team continues reaching out to thousands of men and women behind bars who are searching for God. Because of your generosity, we've answered prisoner's letters and sent them thousands of pieces of literature, Bible Study Guides, and even treasured Study Bibles. In addition, our Dare to Dream Hard Drives for Prison Initiative is distributing mySDAtv Interless video playback systems throughout the country, giving prisoners access to thousands of hours of carefully selected, Christ-centered programs that can be viewed through their in-house TV system.

**3ABN Ambassadors** – This year, we also focused on helping Adventist church members to raise awareness about our life-changing programs in their church, and bring free programming to prisons and retirement homes. Our 3ABN Ambassadors are eager to help their church grow and win more souls to God's Kingdom! If you'd like to become a 3ABN Ambassador, please contact **Jasmine Carter at 618-627-4651 ext. 3130.**

It's been a wonderful year, and because of you, many who were broken, alone, lost, and hurting have discovered hope, healing, and transformation through God's Word and the power of His Holy Spirit. Thank you for being part of our 3ABN Family, and we hope you will join us in praising God for it all. "Every day I will bless You, and I will praise Your name forever and ever." Psalm 145:2. ☺

# Preaching *with* FERVOR

by John Dinzey

Isn't it fascinating to work together in soul-winning efforts? We praise the Lord for your generous prayers and financial support that enable us to fill the spiritual needs of over 500 million Spanish-speaking people in the world.

Our first live broadcast in January paved the way for an amazing year. Our guests were Dr. Manuel Moral and Pastors Ruben Garcia and Luis Eguiluz, and our topic was the Second Coming of Jesus Christ. Our viewers sent in many questions, showing a growing interest in this topic, and it was motivating and invigorating! This is what we long for, and it surely unites us in preaching the gospel with even more fervor.

## The Gospel to Cuba

We continue to bring the everlasting gospel to the Cuban people through *El Paquete (The Package)*—a unique method of delivering international TV programming. It's so rewarding and encouraging to hear about those who embrace the Bible teachings in our programming.

We enjoyed having Pastor Raciell Hernandez and Chaplain Hernell Hernandez to our studios to share their stories of how God is working on that island nation.

We're blessed to have a few Bible workers in the Havana and Pinar de Rio areas who diligently hold Bible studies and spread the news that 3ABN Latino programs are available on The Package. We praise the Lord for the baptisms, and many more who are taking Bible studies, eagerly preparing for our soon-coming Savior's return.

In August we held our first 3ABN Latino evangelistic series in Cuba! I was privileged to speak there, and our attendance was strong, since our Bible workers used 3ABN Latino's programming to build interest in Bible studies. Many were baptized to the glory of God!

## A New Camp Meeting

In May, we held our first 3ABN Latino Camp Meeting in St. Louis, Missouri! Our theme was the "Victory and Hope" that we all find in Jesus Christ, and we broadcast live from the St. Louis Spanish Seventh-day Adventist Church. A great number of speakers and musicians took part, and the Holy Spirit used them to bring a timely message to the people of that great city, and the world.

## New Programming

A second season of *Mejora y Valora Tu Salud (Improve and Value Your Health)*

# God has anointed your contributions

with Dr. Louis Cruz and his wife Mayra Rivera was recorded, and by God's grace, this educational program has proved to be a powerful entering wedge for the gospel.

And since one of the most urgent needs our viewers express is for intercessory prayer for their family and children, we also recorded a second season of *Madres de Rodillas, Hijos de Pie (Mothers Kneeling, Children Standing)*. Our presenters traveled from Colombia, and their guests came from all over the world to share how God has faithfully answered their prayers on behalf of their loved ones.

## A Special Anniversary

This summer marked 20 years of preaching the undiluted three angels' messages of Revelation 14 on 3ABN Latino. It's inspiring and overwhelming to consider the many evangelistic series we've broadcast live throughout the years. We praise God for the baptisms and the stories we've heard of changed lives. Millions have been impacted through the power of the Holy Spirit!

We thank God for all who have participated in one way or another to reach our world's Spanish-speaking community. Your faithful prayers for God's leading and provision have brought about another fruitful year for His glory. God will bless everyone who helps—whether in programming or in finances—and lives will continue to be transformed as precious souls surrender and accept Jesus Christ as their Lord and Savior. Thank you, and be of good courage! ☺

# BEACONS OF Grace

It is no secret that evangelism is the lifeblood of this ministry. Every day presents a new opportunity to reach a soul for Christ, and media is the mechanism for reaching the masses with the gospel. Our commitment to leading people to Christ, nurturing their relationship with Him, and fostering church member retention remains unwavering. The path we've trodden in 2023 has been one of audacious strides and daring leaps as we introduced new initiatives, invigorating programs, and innovative marketing strategies.

We want to keep you in the loop about the amazing things happening at 3ABN Dare to Dream (D2D) Network.

## EVANGELISM

Project L.I.G.H.T. is Dare to Dream's newest initiative. L.I.G.H.T. stands for Living In God's Holy Truth. Dr. Yvonne Shelton led this incredible initiative to bring the light of Christ into inner cities through media and personal evangelism. We partnered with the Harbor of Hope Seventh-day Adventist Church for their Operation Safe Space initiative, creating a platform to reach a wider audience and maximize our impact. In order to maintain an engaging atmosphere, we condensed Project L.I.G.H.T. into six consecutive evenings. Pastor Taurus Montgomery's team presented promotional segments each night, encouraging audience members to subscribe to our

3ABN+ App. Subscribers then had a chance to receive gift bags and enjoy shorter clips that resonated effectively with today's youth.

## PRISON MINISTRY

In our journey, divine opportunities arose when our prison ministry caught the attention of the North American Division of the Seventh-day Adventist Church. We dispatched 47 units of the D2D Prison Hard Drive/mySDAtv Interless system to the Northeast, casting the light of the gospel within prison walls. The doors of transitional homes also swung open, allowing us to sow seeds of faith and transformation.

## SOCIAL MEDIA

Ricky Carter is doing a fantastic job increasing engagement and subscribers on our social media platforms. By diversifying our content and posting more frequently, we're connecting with a broader audience and sharing the message of hope more effectively.

## NEW PROGRAMMING

We've recently recorded a captivating new series called *Imperative Life Lessons* with Pastor Ryan Johnson. These twelve power-packed messages delve deep into the Word of God, delivering practical insights and ending with compelling stories to drive home key points.

Blessings Winn (right) interviews John Lomacang on the dangers of spiritualism on *A Wolf in Sheep's Clothing*.

*A Wolf in Sheep's Clothing* tackles modern-day spiritualism and practices that may seem harmless, but can lead believers astray. Blessings Winn hosts this program and she did a wonderful job shedding light on the spiritual incompatibility of certain practices with Christianity.

Dear members of our Dare to Dream Family, as we conclude this year, we stand

on the threshold of possibilities, co-laboring with the Almighty in these final days. Your steadfast support and heartfelt prayers have been our foundation and our strength. Let's continue to stand together, resolute in our purpose of spreading the gospel light, illuminating a world that's yearning for hope.

In unity and purpose, we march forward, leaving footprints of transformation and love. Thank you for being more than supporters; thank you for being co-laborers in God's mission. Together, we are beacons of His grace, shining His light in a world that hungers for His truth. ☺

# GOD IS WITH US

by Aunt Francine

It's been an exciting year for 3ABN Kids Network! We hosted a 3ABN Kids Camp and 72 of God's amazing kids came to us from every direction in the United States, and even from as far away as Hawaii! Kids Camp was a four-day, fun-filled time, and we recorded 112 programs (seven series of 16 episodes each), all based on the theme that God is always with us, from the depths of the sea to the highest mountain.

Two new series were *Critters & Creation* with Keith Nelson, focusing on God's amazing creation; and *Ready, Set, X-Plore* with J. B. Scout (Jason Bergmann), preparing kids to explore the outdoors.

The Bible came alive during *Bible Gems*, and there was so much excitement and energy for *Fit Club*, which encouraged kids to stay in shape and strengthen their connection with God.

Everyone enjoyed making *Creation Crafts*; we praised God together during *Sing Along*; and no one went hungry during the recording of *Kitchen Fun*!

Our first two days highlighted stories from the Bible by the water, while the last two days highlighted stories near the mountains—all demonstrating that Jesus is always with us.

Just two short weeks before Kids Camp, we had over 105 kids participating in our 3ABN Camp Meeting—the largest group of kids so far! They all enjoyed making new friends while learning about

the Minor Prophets and discovering the importance of answering God's call for their lives.

In August, we had the opportunity to connect for the first time with the Seventh-day Adventist North American Division Educators' Convention in Phoenix, Arizona, where we gave away 3,000 of the *Jesus My Light* activity books and bookmarkers while teachers purchased our *3ABN Kids Network Craft Book* (available at [3ABNStore.com](http://3ABNStore.com)). The convention also gave us the opportunity to make connections with teachers, letting them know about 3ABN Kids Network resources, and how their students could participate in future recordings.

God is blessing so many children through our [3ABNKids.tv](http://3ABNKids.tv) website, where there are now over 200 *Detectives of Truth* Bible studies posted online—each with directions for a fun corresponding craft! So many kids have reached out to us as a result of these resources and programming that we're now implementing a data management system to help us identify each child and keep track of their various talents for future programs.

## GOD NEVER LEAVES US

Do you sometimes feel that God is far away? We all need to

(Top to bottom): Kids Camp participants got to pet a snake while recording *Critters & Creation* with Keith Nelson and build a lean-to with JB Scout on *Ready, Set, X-Plore*. *Kids X-Press* encourages them to grow in character and share Jesus. Are you eager to share like Sofia and Riley? Email us at [kids@3abn.org](mailto:kids@3abn.org).

be reminded that He is only a prayer away, and that He's promised to never leave us.

Remember the story about Jesus calming the sea, and then healing the demons shortly after that? What do you think the disciples did? Did they run away, or did they get closer to Jesus?

Jesus is always fixed on us. Are we fixed on Him? At 3ABN Kids Network, we desire to focus kids on Jesus. We are filled with joy as we hear from kids who are being blessed by our programs and resources.

Friends, please know that all of us here at 3ABN Kids Network appreciate your prayers and financial support. It's loving folks like you who make all the difference! We believe that the future is bright because God is with us! ☺

# Playing Our Part

by Ryan Day

“We’re so thankful in this season for God’s faithfulness and leadership throughout 2023.”

PHOTOS: SVETLANA CHRISAN

This has been a busy but very special year for 3ABN Praise Him Music Network! I learned so much in my first year as general manager, and even more so of God’s goodness.

We were able to record fresh new episodes of *Your Favorites by Request* with Tim Parton, whose legacy and influence continue to bless us. In fact, we were blessed to have Tim and his musical gifts with us on multiple occasions throughout the year, including several episodes of our new flagship program, *Praise Him Now!* that we launched in May.

### New Flagship Program

We highlighted many of our viewers’ favorite musical artists on *Praise Him Now!*—like Jennifer LaMountain, Jaime Jorge, Danny and Yvonne Shelton, Matt Throgmorton, Celestine Dickens,

Kenny Orr, and others. We also were privileged to introduce many upcoming artists, such as Pedro Naranjo, A Better Covenant, N’Harmoné, The Landis Sisters, and 3ABN’s own Ben Lingle. I’m happy to say that we’ve already begun recording a new season of programs, and we’re eagerly looking forward to the blessings they will bring!

### New Talent

This year, our 3ABN Praise Him Music Network was represented for the first time at the Seventh-day Adventist Church’s North American Division Educators’ Convention in Phoenix, Arizona. With thousands in attendance, we were able to connect with teachers and administrators from across the continent, making them aware of our network. We believe that God has blessed our church tremendously

with young people who desire to sing and play for the glory of God, and my wife Stephanie and I began looking for talented students at this convention. We feel great joy in telling you that we have plans in place for two new programs that will highlight their music, and that we’ve already begun scheduling many of them to appear on future Praise Him programs.

### Counting Our Blessings

Looking back on this amazing year, we count our blessings! We have received so much positive feedback from our viewers who tell us what a blessing Praise Him Music Network has been to them. All of this leaves us feeling deeply humbled, because we know this network and ministry cannot exist or function without the power of God!

We’re so thankful in this season for God’s faithfulness and leadership throughout 2023. He never fails! There were days and weeks when challenges arose, but God always came through—as He always does! He drew us all closer to Him through the influence of powerful sacred and gospel-filled music; and if 2023 is any indication, we have so many more blessings to look forward to next year!

With new programs, products, and initiatives on their way, we know that the 3ABN Praise Him Music Network has a bright future, and that by God’s grace, it will continue to play its part in sharing Jesus with the world until He comes! ☺

Danny Shelton was impressed in 1984 to build a television station that would reach the world, and since 3ABN first went on the air, countless thousands have found hope and salvation through our Christ-centered programs.

Now, as we celebrate our 39th Anniversary, we'll bring you the stories of employees whose lives have been transformed by the power of the Holy Spirit. You'll marvel as they share the joy of working in the very ministry that helped them find a closer walk with Jesus!

"And this gospel of the kingdom will be preached in all the world as a witness to all the nations, and then the end will come." MATTHEW 24:14

# New Stations, New Blessings

by Jay Christian

This has been a good year for 3ABN Radio. We've welcomed new affiliates to the 3ABN Radio family, brought new programs to our lineup, and built a brand-new station in southern Illinois. That makes two in our local area carrying our programming! WDNQ FM 95.9 in Du Quoin is our original station carrying our popular talk programming; and now, our newest station, WITM FM 88.7 in West Frankfort carries our 3ABN Radio Music Channel. Over the years, our local church has gained many members who have heard about us through our original station, and now we look forward to people coming in from our new one, too! The music is a real blessing, and between songs and during breaks we not only give uplifting commentary, but also go deep into Bible subjects.

It's great when new stations come to life, and earlier this year, we helped our Brazos TV and radio affiliates dedicate another radio station in Abilene, Texas. John and Angela Lomacang were there with a full day of activities, and were blessed to meet many new listeners.

## NEW PROGRAMMING

This year we recorded two new radio series. Pastor Damon Snead dedicates

each episode of *Inside Steps to Christ* to one chapter of Ellen White's book of the same title. You won't read that book the same way again after hearing his insights!

We also asked Jim Burr, host of 3ABN's TV program, *The Heavens Declare*, to do a radio series. He takes us on a fascinating tour of the Universe—including our own planet Earth—with lessons about its creation. To enhance the experience, Jim gives his listeners websites where they can see pictures and videos about his topics.

## LISTENER COMMENTS

We're always pleased to hear comments from our listeners—not about what we are doing, but about what God is doing. Here are a few of their comments:

**Dan** says, "Just wanted you to know how much I appreciate 3ABN Radio [Music Channel]! We play it in our office for background music and I am continually reminded of how much I enjoy the selections."

**Tammy**, from Illinois, says: "I love 3ABN! I've been listening to 3ABN Radio for two years, just found a church in my local area, and I'm getting baptized .... With each episode [of *Inside Steps to Christ*] I feel like I'm learning more and more .... Pastor Snead continues to give, in detail,

amazing breakdowns to take down notes and follow along."

**Gina**, a Baptist listener from Erie, Pennsylvania, says she loves 3ABN Radio Music Channel. She recently lost her father, has a son who is incarcerated, and another son who was involved in a head-on collision. She thanks us for our ministry and says she finds the music to be very soothing and peaceful.

We also received a heartfelt thank you from **Terri**, a grandmother who is raising her granddaughters. A friend was watching them when Terri found out that they were using electronic devices, something she banned after hearing the series, *Digital Disconnect* with Scott Ritsema on 3ABN Radio. She sent her friend a text explaining her position, and a short while later, received an answer, thanking her for her comments. Later that day, her friend turned on 3ABN Radio as she was driving,

INSIDE STEPS TO CHRIST WITH DAMON SNEAD

and guess what was playing? *Digital Disconnect!* Terri's friend now limits her children's use of electronic devices, too.

From all of us at the 3ABN Radio Networks, thank you for your prayers and financial support. Because of you, we are able to continue spreading the Word of God and changing lives through radio. ☺

**"Because of you, we are able to continue spreading the Word of God and changing lives through radio."**

# It's All About God

by Julia Outkina

We're amazed by the miracles of salvation God has brought about during the 30-plus years of 3ABN Russia's media ministry. The Bible says, "And they overcame him by the blood of the Lamb and by the word of their testimony..." (Revelation 12:11), and as we look back on 2023, we want to share a few of the amazing stories from our seven-part testimonial movie, *It's All About God*.

LYUDMILA

**Lyudmila Dobryakova:** "I was an ardent atheist, but when my husband died, I became addicted to alcohol. Then I saw a 3ABN Russia production on TV where they offered their viewers a New Life Bible study course. I wrote and asked them to send me those lessons, and I asked them to help my son, who was in prison, by sending him some literature. One of the presenters from 3ABN Russia came to my house and told me how to find a Seventh-day Adventist church. After I completed the course, they sent me a Bible as a gift. Thanks to the church and 3ABN Russia, I came to believe in God and was baptized."

PASTOR ANDREY

**Pastor Andrey Kruglov:** "I was a teenager when I came across your programs on TV, and I began watching them regularly. It was interesting to read the Bible, then get answers to many questions through the 3ABN presenters. I watched your programs regularly from 1998 to 2003, and then I chose to serve God. I graduated from the Seventh-day Adventist Theological Seminary in Zaoksky, Russia, and since then, I've served as a pastor. I know many brothers and sisters who came to believe in God and joined the church thanks to 3ABN Russia broadcasts."

OLGA

**Olga Izmailova:** "In 1992, I attended Pastor John Carter's evangelistic series in

Nizhny Novgorod and was baptized. But I still had a lot of questions, and my faith was weak. Then I found 3ABN Russia's programs on a municipal TV channel, and I began to watch them. These broadcasts helped me establish my faith and stay in the church."

PASTOR VITALY

**Pastor Vitaly Kisser:** "When I was young, I began having disturbing dreams. Dark forces appeared to me and I was very worried. At that time, I worked as a cook, and an old believer from our team advised me to be baptized. I listened to her and was baptized in the Russian Orthodox Church. After that, I became interested in faith and in the Bible. These were the 1980s and Bibles were very difficult to find. I managed to get one, but when I began to read it, I didn't understand much. Then one day, as I switched TV channels, I came across 3ABN Russia's *Face to Face* broadcast and started watching it. Sometimes, when I didn't understand something from the Bible, I'd turn on 3ABN Russia and find the answer there. So I decided to find

those believers whose faith lined up with God's Ten Commandments. I soon found them and was baptized in the Seventh-day Adventist Church. Then I graduated from Zaoksky Theological Seminary, and became a pastor."

Everything 3ABN Russia has been able to accomplish this year, all the programs we've produced, all the platforms and resources we are on, and all the lives that have been saved for eternity have only been possible because of your generous hearts under the influence of the Holy Spirit. Thank you so much for your prayers and financial support during 2023, dear readers, viewers, and listeners. May the Lord bless His cause even more abundantly in 2024! Your support is needed now more than ever before in the history of this generation. ☺

This has truly been a year where we can see that 3ABN Français has been growing and guided by God! For many years I have been privileged to manage this wonderful network, but my engineering position demands so much of my time that I have needed help. So I'm grateful to 3ABN's administration for hiring an assistant, and in September, Rose-hélène Bolo joined our network.

Rose-hélène has been an active volunteer for many years, but she lived in Martinique, had a full-time job, and was raising three daughters. Then recently, they began studying overseas, so she accepted our call to come to 3ABN to help enhance our programming and expand our audience.

### New French Programming

This year, we've recorded a new series called *Pluie d'Espoir* (Rain of Hope) with Pastor Eddy and Elisabeth Laguerre, and

a series on the 28 Fundamental Beliefs of the Seventh-day Adventist Church with Pastor Virgo Belizaire called *Des Vérités Pour L'éternité* (Truths for Eternity).

We've recently recorded interviews with Kendol Bacchus and other guests; songs with Samira Bolo and others who have dedicated their talents to the Lord.

## 3ABN Français has been growing and guided by God!

And finally, by God's grace, we're working with church officials in Martinique on an event this month celebrating the 40th anniversary of the Ezekiel 37 Quartet.

### Blessed by Our Partners

Besides the programs we record in our 3ABN studios, we also are blessed with

(Left): Moses Primo, 3ABN Français Network General Manager; Rose-hélène Bolo, Assistant to the General Manager of 3ABN Français. (Below top): Pastor Eddy and Elisabeth Laguerre host *Rain of Hope*; (middle) Pastor Virgo Belizaire hosts *Truths for Eternity*; (bottom) The Ezekiel 37 Quartet.

new programs from our partners, such as Better Living Ministry's *A Ciel Ouvert* (Open Air); *Lineage* and *Mission Spotlight* programs in French; and programs produced by the Seventh-day Adventist Church in French Guyana, Martinique, the West Indies, France, and Canada.

### An Ever-Growing Audience

We praise the Lord that in July, 3ABN Français began broadcasting on Freeview, reaching 48 million viewers in the United Kingdom. Although the most recent analytics reports show that there were 2,378 viewings and 1,060 unique viewers last month, our total potential audience will undoubtedly grow, since there are 220 million French-speaking viewers around the globe!

If you know someone who speaks French, please tell them to watch our programs by visiting our website, [3ABNFrancais.tv](http://3ABNFrancais.tv). They can also watch on the 3ABN+ app for smartphones and tablets, as well as on YouTube, Roku, mySDAtv, or Amazon Fire devices.

If you have a prayer request or a praise report, we'd love to hear from you. Just email us at [3abnfrancais@3abn.org](mailto:3abnfrancais@3abn.org), and we'll be praying for you every Tuesday!

Each time you pray for or financially support 3ABN Français, God helps us produce more programs and brings us new speakers and hosts. Without you, we would not exist, so please continue praying for our French network. Together, we can reach millions who still need to hear about Jesus. ☺

# He's Been Faithful

by John & Rosemary Malkiewicz

It has been a year of milestones for 3ABN Australia, and we have many things for which to thank God. In August we celebrated 20 years of ministry, and it's simply amazing how God sustained us through those years of service, making 3ABN Australia a truly worldwide ministry.

## In the Beginning

In 2002, we began installing satellite dishes for church members in Australia who wanted to receive 3ABN programming, instead of watching only secular TV. At this stage, 3ABN was not yet available in New Zealand; but soon, through God's providence, we became associated directly with 3ABN, and in 2003, we were asked to start 3ABN Australia. In March 2004, 3ABN went onto a satellite that serviced New Zealand, and many viewers began hearing Bible truth for the first time.

## We have many things for which to thank God.

Our 3ABN Now series turned 10 this year, and it certainly doesn't feel like we have been recording that long. We didn't even realize it at the time, but we recorded our first program in the new production

## Television Ministry

Next came the opportunity to build a studio to supplement 3ABN's line-up of English programs on 3ABN International channel, and the 3ABN Australia Production Centre was officially opened in 2013. Since that time, we've produced many TV and radio programs and increased our staff and volunteers as our work grew. We created weekly TV series like, 3ABN Now, and Let God Speak. We also produced Healthy Living, God's Last Message, Faith vs. Finance, Evolution Impossible, People Just Like Us, A Day with the King, our Homecoming series, and several youth conferences.

Our 3ABN Now series turned 10 this year, and it certainly doesn't feel like we have been recording that long. We didn't even realize it at the time, but we recorded our first program in the new production

Steven embraced God's truth, then brought his parents, an uncle, and a brother to Christ before becoming a pastor, himself! We're always humbled by the many viewers who tell us that 3ABN Now is their favorite program.

centre on the exact date of 3ABN Australia's tenth anniversary!

As we look back on the guests we've had on the program, we thank God for the testimonies, miracle stories, Bible and science topics, and mission stories we've heard. 3ABN Now guests have included many members of 3ABN's staff; the President of the General Conference of Seventh-day Adventists, Elder Ted and Nancy Wilson; Dr. Tim Standish; Dr. Clifford Goldstein, Dr. Allan and Deirdre Lindsay, and Pastor Steven Teale,

## Radio Ministry

Our 3ABN Australia Radio ministry has produced many series, including You Shall Receive Power, Mission Stories for Kids, By the Word of Their Testimony, Faith and Science, Daily Insights, Search for Certainty, The Two Tip Lady, and many others—as well as radio versions of some of our TV programs. They can all be heard on our 3ABNAustralia.org.au website, and most can be accessed via Soundcloud, Google Podcasts, Apple Podcasts, Spotify, Player FM, or by RSS subscriptions.

As we approach 2024, we ask you to listen to the Holy Spirit as He impresses you to support this faith-based ministry. As costs go up, we are in much greater need of support from God's faithful people. As you step out in faith on God's behalf, He will pour out His blessing and sustain you, just as He has been faithful to 3ABN Australia for all these years.

Thank you for all you do to help us finish the work of spreading the gospel. ☺

Jeff and Charletta Doerr would love meet you.

# GENEREROUS GIFTS

## Investing in the Lord's Work

Jesus gave us the best financial advice possible when He said, "But lay up for yourselves treasures in heaven, where neither moth nor rust destroys and where thieves do not break in and steal. For where your treasure is, there your heart will be also." (Matthew 6:20–21). And that's why 3ABN's Planned Giving & Trust Services Department was established. We help those who want to invest their funds while supporting this ministry with the confidence that their gifts are being used to rescue souls for God's Kingdom.

Jeff Doerr, 3ABN Director of Planned Giving & Trust Services points out that the passage of the SECURE 2.0 Act has created a new gift opportunity this year for donors who are 70 ½ years old. "Now they can roll over a traditional IRA into a Charitable Gift Annuity that allows a one-time rollover of up to \$50,000 from an IRA to an immediate gift annuity, and it can be single or joint," he says.

There are many other financial tools to choose from, too. The **Charitable Gift Annuity** program provides interest payments for life, tax deductions, partial tax-free income, and a fixed rate based on age—the older the annuitant, the higher the rate. A **Property Self-Administered Trust** may be funded with homes, farms, cash, stocks, or bonds—all with the complete assurance that upon the giver's demise, 3ABN will distribute their assets to their loved ones and to the Lord's work according to their wishes. A **Revocable Cash Trust** provides an attractive rate of interest, and the funds can be accessed in case of an emergency or a special need. For those who already have a trust or will, you can always add 3ABN as a beneficiary.

"Are you prepared if today's sunrise was the last one you enjoyed?" Jeff asks. "Don't postpone this important decision. No matter which form you choose, you can have total confidence that your gifts are being used to further the Lord's work, and that your 3ABN Planned Giving & Trust Services team is here to assist you and answer all your questions."

Our viewers and listeners support 3ABN's ministry in many ways, but when you send us your valuable and treasured items, it's extra special. We treat each of your precious gifts with great care, knowing that they're given with much love. Transforming them into funds to support this ministry is the work of our 3ABN Donation Center Manager, Bruce Chance, and his assistant, Addie Weesner. Through proper testing and extensive research, they assess each item's value and offers them to a carefully selected network of professional dealers and private buyers; and with the Lord's blessing, he is usually able to get more for those items than the average seller could.

"We stay up-to-date on values," Bruce says, "and we focus mainly on gold, silver, platinum, diamonds, real jewelry, sterling silver, and gold and diamond watches.\* For those who want to claim a tax deduction for the value of their donated items, we will send them an assessed value receipt, upon request, for the current market value of their item on the date we received it.

"We praise God for each person who is eager to help 3ABN's ministry," Bruce continues, "but we always advise them to put their gift in God's hands first, and then trust 3ABN to get the best price possible. Although the coming years may bring trials, we look forward to serving the Lord to the best of our ability—and thanks to your generous donations, this will be accomplished!"
